DEC 01 2004

As the below-named inventor, I hereby declare that:

my residence, mailing address, and citizenship are as stated below next to my name.

I believe that I am the original, first, and sole inventor of the subject matter which is claimed and for which a patent is sought on the invention entitled SOFTWARE INSTALLATION AND VALIDATION USING CUSTOM ACTIONS, the specification of which was filed on November 26, 2001, as United States Patent Application No. 09/994,254, which is a continuation of Application No. 09/157,776, filed September 21, 1998, issued as U.S. Patent No. 6,378,127.

I hereby declare that the subject matter of the Preliminary Amendment filed on November 26, 2001 and the Amendment filed on June 24, 2004 was part of the invention and was invented before the filing date of the above-identified original application for such invention.

I hereby state that I have reviewed and understand the contents of the above-identified specification, including the claims, as amended by the amendments specifically referred to above.

I acknowledge the duty to disclose information which is material to the examination of this application in accordance with 37 C.F.R. 1.56.

I hereby claim foreign priority benefits under 35 U.S.C. 119(a)-(d) or (f), or 365(b) of any foreign application(s) for patent or inventor's certificate, or 365(a) of any PCT international application which designated at least one country other than the United States of America, listed below, and I have also identified below any foreign application for patent or inventor's certificate, or any PCT international application having a filing date before that of the application on which priority is claimed: NONE.

I hereby further declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the
